Policy of the Integrated Management System of OLLEARIS, S.A

Ollearis, S.A. is a company specialized in the design and manufacture of piping systems and process and storage equipment, made of Fiberglass Reinforced Plastics (FRP) and dual laminates (FRP with thermoplastic liners).

The management of Ollearis S.A. is fully committed to the **Integrated Management System of Quality and Environment (IMS),** and encourages its staff to assume it and be an integral part of it.

The will of the shareholders and the effort and determination of its managers and employees have turned Ollearis into one of the few companies that can offer the design and manufacture of a wide range of products with superb characteristics of resistance to corrosion and compliant with the most demanding international standards. Its policy, can be resumed as follows:

Offer our customers "Quality" defined as the satisfaction of his expectations, both implicit and explicit, while protecting the environment while we carry out our activity.

In order to meet this target and considering both internal and external factors, **Ollearis, S.A. commits to**:

- Meet the needs and expectations of our customers

- Assist the customers providing our know-how and always trying to **solve and innovate in mutual benefit**

- Comply with the **Customer's requirements**, **the legal requirements** applicable to our activities, products and services and any other requirement that the company may subscribe

- Prevent the environmental pollution in all our activities and minimize the waste generation

- Ensure the establishment of **targets compatible with the context of organization and its strategic management**

- Provide all the **necessary means and resources to follow this IMS**

- The assurance of the adequacy and the continuous improvement of the system, through its periodical review and monitoring of the targets set forth

The management of Ollearis S.A., assures that this policy is distributed, understood and accepted by all the staff, and is accessible to any interested party through our website.
